

PARENT COMMUNICATION GUIDE

CONNECT

Connect is a DOE tool for classroom communication between parents and teachers. Every parent has a username and password.

Connect is used for:

- Classroom notices
- Invitations to Class Events
- News
- Excursion Information
- Calendar
- School Events
- Whole School communication
- Messages between teachers and parents
- Assessments & Reports

FACEBOOK

Facebook will be used as a tool to promote communication across the school community and to highlight the achievements of our students.

Facebook is used for:

- News
- Student and school achievements
- Important events

COMPASS

Compass is our school's new SMS and parent communication app. It allows families to stay informed and connected with what is happening at school.

Compass is used for:

- Receiving SMS messages from the school
- Viewing and managing attendance information
- Communicating with teachers via email
- Accessing reminders and newsfeed

WEBSITE

Our website is a platform for providing information about the school.

The website is used for:

- Term planner
- Policies
- Handbooks
- New Enrolments
